**Fort Berthold Oil & Gas Partners:**

There will be a Fort Berthold Oil & Gas Partners meeting on November 18-19, 2014 in Bismarck, ND. The meeting will be from 1:00-5:00 p.m. on the 18th and from 8:30 a.m.-5:00 p.m. on November 19th. As in the past, day one is reserved for the Three Affiliated Tribal Chairman and the Tribe's Energy Department to present their topics/issues for discussion with the federal partners. On day two, we will follow the normal Agency by Agency reporting concerning ongoing oil & gas business. If you have any specific topics that you would like to have a round table discussion on, please send them to me via e-mail by COB Monday, November 10. The specific topics will be listed on the agenda. This will give the attendees a 'heads up' on some of the specific topics to be discussed. The final agenda will be sent out to all of you by COB November 12th. I am attaching a copy of the action item list that came out of our last meeting in August.

We will be meeting again in the Bureau of Reclamation-Dakotas Area Office' large conference room #338. BORs street address is 304 E. Broadway Ave., Bismarck, ND.

Access to the building is on the north side of the building - it's locked and you'll need to press the buzzer to have the receptionist let you in. BOR will have staff ready to let attendees in at that time. Parking is limited to a pay parking ramp across the street and street parking several blocks away. **Thank You Bureau of Reclamation for the use of your conference room!!**

I apologize in advance if I forgot anyone on this e-mail. Please forward this e-mail to anyone that I may have inadvertently omitted. If you have any questions, please let me know at your earliest convenience.

Thank You
